## EXPERIENCE

### SCAD Animation Studios, *Visual Development Artist*

Sep 2025 - Nov 2025

- Contributed to the visual style of the short film “Lost in Pomegranates” by creating multiple style iterations.
- Produced preproduction artwork, including architectural layouts, organic environment concepts, and prop designs, to provide a foundation for background artists.
- Collaborated with the director and fellow artists to ensure visual consistency, aesthetic appeal, and alignment with the narrative tone of the project.

### Short Film: “Daughter of the Sea”, *Character Designer*

Aug 2025 - Dec 2025

- Designed character expression sheets and syllable charts to support animators.
- Worked closely with the director and lead to refine designs through regular bi-weekly meetings and revisions.

### Lowe's Foods, *Cake Decorator*

Jun 2023 - Present

- Seasonal cake decorator, decorating cakes with signature or custom designs with sellable quality in a fast-paced environment.
- Sign designer on various boards throughout the store to reinforce company branding.
